

El papel de la filosofía en la sociedad de la información

Massimo Pigliucci: **"Philosophy moves in conceptual spaces where philosophers produce frameworks for thinking about a given problem."**

<http://www.philosophersmag.com/index.php/footnotes-to-plato/63-what-do-philosophers-think-part-i>

Luciano Floridi: **"Philosophers are the ultimate experts in open questions".**

<http://www.fatum-magazin.de/ausgaben/intelligenz-formen-und-kuenste/internationale-perspektiven/bueprints-for-the-infosphere.html>

Grant Bartley: **"Distinguish when 'science good, philosophy bad' is a plausible claim, and when philosophy is the only game to play".**
